TRRMS:

THE CHIEF CAUSES OF PESTILENCE DESTROYED!

DR. E. COURTA RET'S DISINFECTING fluids, "Curred by Leithers Fateut in the
United States and France. Prepared solely by the
New York Disinfecting Company, at their Laborstarcy, Nos. 288, 309, 4 200 Henry atreet, New
York. Office, 42 Codar street.

This Company organized on a permanent basis,
with Dr. Courtaret, the celebrated franch Chemst, in charge of its Laboratory, is prepared to
furnish its Destruction France, lerick cooms,
auranties, urinals, water cheecks, invites, emepools, sewers, gutters, shipe, railroads, hospitals,
and public institutions of all kinds, slaughter
houses, odal and fat-boiling establishments; all
kinds of manures (immence) increasing the value
of the latter to every farmer, and whorever poiscomes and officasies gasses crist. These agents
are decolorie vs, unit-sprice, autiputrescents, and
disinfectants in the scientific meaning of the
words. They remove obnovious gasses and odors
when the coloridal arriadings—bassine in their places

medical and scientime man is directly to the infection. Attached are testimonials in favor of this great discovery, which, with hundreds of their can be seen at the Company's office.

DESTAN HERVER, ALEAST, March 39, 1805.
To the President of the New York Disinfecting Company:
Dear Sir: It is all it is represented to be. We been sudden many trials of disinfectants, but now consider that we have found an article which surp nesse all others as a remedy against all bud doors.

T. RUESSEL & CO.
NEW YORK, April 9 1866.
To the President of the New York Disinfecting Company:

Company:
Dear Sir: We pronounce it without exception to
be the best we have ever known. Its effect upo we have we have ever known. Its affect upon every matter is complete and instantaneous.

(i. A. STETEON, Aster Henre,

ernor of Maine. He is still suffering "It is really ridiculous to see the berd "It is really ridiculous to see the herds of big strapping women of all ages, who ought to be engaged in some honest employment, with bundles of books under their arms, flocking to school every morthing. It is all the rage with them now to learn to read, as if all the book learning in the world would do them any good. as that A. M. Ide, whom President ohnson has recently appointed Postasster at Taunton, Mass., is a Copperhead Education is a good thing in its way, and we certainly have no objection to any The Senate Committee on Finance hav eported adversely to the confirmation of one acquiring as much of it as they can crowd into their noddles, but we do think that it is a waste of the precious article Ex-Governor Wm. F. Johnson as Cellec or of Internal Revenue for the Pittsburgh o throw it away on negroes."

The Columbus (Ky.) Chronicle of April lith, speaks as follows of J. C. Breckin ridge's treason : "There was a moral grandeur in th

evening, while the Republican caucus was ct, which every one must admire. has shed an effulgence around his name, which neither failure nor detraction can ever destroy; and his subsequent career, so fall of noble daring and generous devotion places him among the great ways of James E. English was the prominent can-

7th declares its voice to be "still for war" in the following language:

"One thing is certain: the Sumner-Stevens-Stanton-Beast Butler faction can-not control this government. The in-auguration of their principles and pussions as the permanent policy of the country must lead to armed resistance—to war. Try it when they will, the instincts of a free people will rebel against it. Then let the North do its duty and all will be well. The South desires pend and has demonstrated her sincerity b many sacrifices which sheence thought no earthly power could force from her. But neither she nor the great agricultural West can afford to be ruled and ruined by the puritanical despots of New England. There is a limit to human forbearance, and we have nearly reached it."

The Macon (Ga.) Telegraph, of Apri 7th, in an article upon the rebel dead, speaks as follows of the Union men of the South:

"Those who remained at home witho cause have contracted an odium that will cleave to them like the leprosy of Gehazzi, and those who fled from their native land escape the public conflict and peril, ar astly damned to everlasting fame. 'M ountry, right or wrong, is one of the us from the days of the revolution." The Memphis Avalanche, of April 28th

expends the following choice language upon a " Radical " merchant of that city "You will find these murky spirit with all their malevolence, spewing the fetid elements in every circle, without the candor or impulse of manhood. The weasie themselves into the crevices of s ciety, and like the toad feed upon th which their unsightly carcuse assumes the loathsome semblance. They cannot and dare not emerge from their shroud o obliquity into the bright blaze of hones sty: social law-that order of virt and benignity-appals them; the fear of honest indignation 'is a hangman's whip as terrible to their affrighted souls as the bastinado, the knout or the bow string These ulcers upon the social body are among us to-day. among us to-day.

Diot upon humanity comes upon us li stilence; by slow yet sure approach s, he feeds upon us, and like the ghor the murders the unwary victim, see his burying-place, to feed upon his decom-posed carcase, and this ingrate is on Mai

treet to-day." STATE NEWS.

Congressional Committee to Investigate the Memphis Riot.

Associated Press Report. From New York.

The Body of Hon, Preston King Found New York, May 14.—Officer Kenny of the Atlantic Dock, Brooklyn, Police, this morning discovered the body of a man fosting into the gap from Buttermilk chan-nel and from appearances it was believed to be the body of the late Preston King. Sub-sequently the body was positively identified to Dock the Market Westerney and the Preston King. y Preston King Webster, Mr. King's ephew, Mr. Lydecker, and others of the ustom House. The Coroner will held an quest on Thursday. The remains of Preston King are not

uch bloated, and are less decomposed than ight have been expeated, considering the ct that they were in the water just six nouths and one day; the Collector having brown himself into the North river on the rning of the 13th day of Nov

The friends of Mr. Stephens the Feniar declined, he prefers to go as a private indi-vidual. Invitation has been extended to Mr. Roberts and his friends to attend the meeting, but it is not at all probable that the invitation will be accepted, and it is al-most certain that the Senate and with them large body of Fenians, will not ber conciled to the organization, of which Mr tephens is now leader.

Quarantine. quarantine since the last report. There e no new cases.

From South America. New York, May 14.—We have Bueno yers dates to March 25th, and Rio Janeir The Paraguayans had, it was said, cros the Parana at Canpertry, driven back the allied outposts, and were advancing against the Brazilian army moder Baron Alegere. The city of Buenes Ayers was visited by a terrific hurricans on the 18th of March, blowing down several houses, and doing

The Senate amendment to the three cent cinage bill was concurred in. Also the cenate amendments to the resulution relave to courts and Post Offices in New York. On motion of Mr. BLAINE, the Ways and Means Committee was instructed to nquire into the expediency of removing all taxes levied by the National Govern-ment on National Banks, except 1 per cent-per annum on the average amount of their

A joint resolution was introduced and re-tried for the re-issue of \$5,250 worth of onds, destroyed by fire, to Wm. Joycelyn, The Senate amendments to the Post Office

merce.
Mr. COOPER, of the Judiciary Committee,
was instructed to consider the expediency
of the purchase of George W. Paschal's
copy-right of the Constitution of the United
States with his notes of judicial and legislative decision thereon.

Advanced On motion of N.F. M.Phricipa a joint fee-lution was passed granting the use of lum-er for erecting buildings for the National oldiers and Sallors Fais.

The joint resolution for the purchase of the law library of the late Jas. L. Pettegru was discussed and posiponed until to-mor-Mr. STEWART said that he prop mend the first section of the article amend-ng the Constitution, reported by the Com-nitice, so as to define the word "citizen." Without this the construction of both the first and second sections would depend upon first and second sections would depend upon the party in power. He also proposed to strike out the third section disfranchising the rebels and make it the first section of a law which he proposed as a substitute for the several bills reported. He would then make the bill reported by the Committee excluding rebels from office the second section, and require each State in addition to the requirements of the Constitution to consent to the proposed exclusion from office and disfranchisement. He said the remainder of his proposed substituting gave the alternative to the South to ratify the Constitutional Amendment, with the proposed modifications and conform their constitutions and laws thereto, and extend by amendments, to their own constitutions oparitations and laws thereby, an extending a mendments, to their own constitution and laws universal suffrage as in his forme proposition. This may be done by any State that State is to be admitted at once, without waiting for the adoption of the amend

ment to the constitution by their excessions, the universal amnesty is to be extended to the people of that State except such as be-fore noted. Ordered to be printed. Mr. NORTON called up a bill to authorise the Winona and St. Peters Railand company to construct a bridge over the lississipi river at Winons. Which after onsiderable discussion was postponed.

Mr. MORRILL moved to take up the bill are notestable moved to take up the 3dd to prevent smuggling, which motion prevailed. The bill was taken up and read at length. It consisted of forty-six sections, and is designed to prevent smuggling on the Northern frontier by providing for a rigid system of search and examination of all remels nlying between the United States. all vessels plying between the United States and foreign countries. It provides that the term vessel shall be held to include every ription of water craft capable of bein used as a means of transportation by water, and the term vessel shall include in like manner auxiliiries whatever of land trans-

The 2d section provides that any office f customs shall have power to go on board f any vessel and search the same for any erson or package on board, taking a force, necessary, and seise the goods liable to

relature. Section 3d provides that any venices, beast or person on whom goods subject to duty are introduced into the United States contrary to law, or suspected to be, may be stopped and searched, and if such articles are found they shall be subject to forfeiture; and if any person shall refuse to stop, on conviction, he shall be fined not exceeding the Secretary of the \$1,000 or less than \$500, and the Secretar may appoint female inspectors for the ex minstion and search of persons of their Corresponding penalties are provided for
